

## BMS-GW End of Life Notification

**Issue Date:** September 16, 2019

**Effective Date:** September 16, 2019

### Devices

Part Number	Description
BMS-GW	BMS Gateway for SimplySNAP site controller. Supports BACnet, Modbus

### Description of Changes

The BMS-GW has been transitioned to End of Life and will no longer be offered for sale. See below for last time buy and last time delivery information.

### Reason for Change

The BMS-GW is being replaced by the BMS-GW-002. The BMS-GW-002 is a part-number level change related to a change in the physical hardware revision of the product. The BMS-GW-002 adds an additional serial port that is not utilized in SimplySNAP applications. There is no impact to fit or functionality when migrating from the BMS-GW to BMS-GW-002.

### Last Time Buy

The BMS-GW must be purchased by January 15, 2020. Orders will only be accepted as non-cancellable, non-returnable (NCNR). Limited supplies available.

### Last Time Delivery

The BMS-GW must be delivered by January 31, 2020.

### Recommended Alternative Product(s)

Synapse recommends utilizing the BMS-GW-002 for connecting SimplySNAP to your BMS system. Refer to the cutsheet linked below for additional information on this product.
