Issue Date: January 1, 2021

Effective Date: January 1, 2021

Devices

Part Number	Description
AC021-001	E20 DIN rail mounting kit

Description of Changes

The E20 DIN rail mounting kit has been moved to End of Life and will no longer be offered for sale.

Reason for Change

There has been little demand for this product and hence it no longer makes sense to maintain production or inventory.

Recommended Alternative Product(s)

No recommended DIN rail mounting options. Continue to use the standard E20 flange mounts.
