

PS3G4G End of Life Notification

Issue Date: January 1, 2021

Effective Date: January 1, 2021

Devices

Part Number	Description
PS3G4G	E20 Gateway cellular 3G to 4G upgrade

Description of Changes

The PS3G4G has been moved to End of Life and will no longer be offered for sale.

Reason for Change

This was a limited time offering for specific Core customers that expired on December 21, 2020.

Recommended Alternative Product(s)

The SC020-040 4G E20 gateway replaced the SC020-020 3G E20 gateway over two years ago and continues to be our cellular gateway offering.

Verizon recently announced that they will continue to support previously registered 3G IoT devices for the foreseeable future but has not allowed new 3G devices to be activated for over a year.
